

July 20, 2020

Dear Eatonbrook Lake Association Member,

We have decided to cancel our 2020 ELA fall meeting. The coronavirus is still a threat to our health and safety and is driving our decision. Given the closeness of the space where we hold our meetings as well as the number of folks who gather, we believe it unwise and a risk to everyone's health and safety to gather for a meeting.

This is the first of two letters that will be coming to let you know what your board has been working on.

The board is willing to remain intact for a year, until Fall 2021 to provide continuity and stability during this time of Corona, so we will leave the board as is for another year. At that time, we will hopefully have our usual meeting at the Firehouse, ask for nominations and vote for board positions that will be open. If anyone has any interest you can contact me.

The July 4th boat parade this year was extremely successful. We had a record 26 boats join the parade and the decorations were fantastic. Congratulations to the 1<sup>st</sup> prize winner, "The 3 Z's" (Zawislán family) for the best decorated boat! Thanks to all who participated. It was great to see so many of our lake neighbors out on the water together as a group.

Just as a reminder, if you want information about what is happening on the lake you can go to the Eatonbrook Facebook page, log onto our [website](#) - [Eatonbrooklakeassociation.com](http://Eatonbrooklakeassociation.com), email or call one of the board members.

Take care, be well, be safe.

Colleen
