

July, 2021

To members of the Eatonbrook Lake Association:

It was great seeing so many enjoying the lake over the July 4th weekend - great boat parade, LED lights around the lake at dusk, and spectacular fireworks all topped off with picture perfect weather. Congratulations to Greg Johnston and family for being selected as winner of this year's boat parade.

With summer in full swing, we wanted to provide an update on a change within the leadership team of the Eatonbrook Lake Association and upcoming lake events.

Change in ELA Leadership

Colleen McSweeney has served the Association tirelessly as Acting President since October, 2019. She has recently elected to return to her position as Vice President for personal reasons. Donna Isbell has graciously accepted the role of Acting President until elections can be held at the Association meeting on August 28. Donna has served the Association as a Trustee since 2018 and was appointed Vice President by the Board when Colleen became Acting President in 2019. We are grateful for the leadership Colleen has provided during these most unusual times and appreciate Donna's willingness to assume these additional responsibilities.

ELA Picnic - Saturday, August 14 beginning at 1 p.m.

This year's picnic will be held at the home of Heather and Scott Shyne, 2914 Hatch Lake Road on Saturday, August 14 beginning at 1 p.m. Bring a dish to pass. Hot dogs, rolls, condiments, and beverages will be provided.

Association Meeting - Saturday, August 28 at 9 a.m.

There will be an ELA Association meeting on Saturday, August 28 beginning promptly at 9 a.m. at the Erieville Fire House. Given that we have been unable to meet in person for two years, we hope you will be able to join us. An agenda will be provided closer to the meeting date.

Even though the governor has lifted many of the COVID restrictions, we would ask that anyone who attends the meeting and has NOT been vaccinated, that you wear a mask while in the firehouse during the meeting. We also encourage social distancing as much as humanly possible. These precautions are still important to follow in order to keep everyone safe and healthy, especially with the COVID variants now emerging.

In the meantime, consider how you might want to contribute to the Association. We are particularly in need of individuals willing to serve on the ELA Board as Vice President or Trustees. Volunteers are also needed for a number of tasks - large and small (i.e., organizing the boat parade or the annual picnic, setting up room for Association meetings, etc.). Interested? Please contact one of the Board members listed below.
