

**Eatonbrook Lake Association**  
**Virtual Meeting via Zoom**  
**August 8, 2020 at 9 a.m.**

This meeting was held virtually via Zoom. Jim Cunningham generously coordinated and hosted the call.

The meeting was called to order by Colleen McSweeney, ELA President at 9:05. After explaining that the purpose of the meeting was to vote on whether or not to stock the lake with walleye fingerlings, she read the section of the bylaws describing membership guidelines and voting privileges.

A roll call was taken and approximately 40 members were present.

Tim Strand moved that the Association spend \$2,335 from the general fund to purchase walleye fingerlings. Judith Bailey seconded the motion.

Paul Mile-Matthias inquired as to what evidence there was so far that walleye have been effective in controlling milfoil. Colleen McSweeney referred to her e-mail sent on August 1. Jim Cunningham referred members to the study done by Paul Lord that is on the Association's website.

Ben Rogge suggested the Association look at other vehicles to validate that what we are doing is working and to consider using resources to look at other invasive species, such as water chestnuts.

There was a call for a vote and a second. The motion passed unanimously.

A motion was made to adjourn by Donna Isbell, and seconded by Chris Coulter, to adjourn at 9:35 a.m.

Respectfully submitted,  
Sarah Steele, ELA Secretary

Prior to the formal start of the meeting, Past President Andy Sapoznikov provided a brief background regarding the history and purpose of the Association.

After the meeting, Betsy Matthias said she would be circulating a petition addressed to the Eaton Board requesting a reduction in the speed limit on Tuscarora Road from Eaton Brook Road to the Nelson town line. Ed Generous expressed interest in extending that reduction past the town of Nelson line and will work with Jim Cunningham on that.

Jim Cunningham noted that there water chestnuts in the pond again this year and was looking for volunteers to hand harvest them. A specific date/time will be posted on Facebook.
